The Palace Controller asks for a grant of Rs 349 on account of the cost of performing the Pratishta of the newly constructed Navaranga Mantap, Dvara-papalaka and Balipitha of the Channnoswari temple on the hill. There are no funds to the credit of the institution. The estimates as revised by the Agamikas of this office amount to Rs 349 and they cannot conveniently be reduced any further. The Controller requests that the amount may be sanctioned as a special grant.

The above amount may be sanctioned from the savings of the ~~Treasury~~ Chattrams at Kuyere

accordingly to Rs 1619-5-10 on the 30th April 1902 (as per Palace Controller's account)

Will reimbursed when a sufficient amount is saved from the funds of the Chamundeswari Temple.

There are precedents for ~~the~~ ~~same~~ money ~~from~~ of one institution being utilized for the saving of one institution being utilized for another, in the case of institutions under the Palace Controller. The enclosed file relates to one such instance

Repairs to the extent of about Rs (8000) were carried out to the Sri Chamundeswari Amman-Varu Temple under the orders of the late Sarkar in 1898, during which the amount paid to the Contractor. In August 1900 the Palace Controller submitted a Rubkari (a) to this Office stating that, at the time of carrying out the repairs to the Navaranga Mantap of the Temple, the two 'Dwara-palakas' images and some 'Bali-peetams' had been removed and kept-

Agamik for the purpose,
and at the time requested
that they might be raised
in consultation with his
Office Agamiks. The late
Mugpac Sundaram accordingly
reduced the Expenditure
to Rs 349 and stated in
his Rukkari No 676 dated
25th March 1901 that the
question of performing the

ಶ್ರೀ ಶ್ರೀ ceremonies might be brought up when sufficient funds accumulated at the credit of the temple

2. In reply, the Palace Controller, in his Rubkari No 999 dated 3rd April 1901 stated that the work was a necessary one and requested that his amount viz Rs 349, together with a sum of Rs 70 for Ashta-bandhana to the Mulavar in the Sri Narayanaswami Temple, might be sanctioned from the State funds. With reference to this application the late Mugrami Sundaram replied[b] that as the State funds for 1900-901 had

(b) In his Rubkari No 696 dated 15th April 1901

had been exhausted,
the application might
be renewed at the end
of June 1901.

3. In reply, the Palace
Controller suggested in
his Rukkani no 1043 dated
19th April 1901, that the
amount viz Rs 419 might

of the Sri Chandra-

In my humble opinion it is undesirable to divert the funds of the Mysore Race Chatram and use it for Prathishte ceremonies in the Sri Chamundeswari temple. Further, the savings of the Chatram have been carefully

which reduced owing to
previous repairs lately effected.
No help can be given from
the State grant of £5000
as that amount is reduced
for repairs alone. Under
these circumstances I think
the Catholic Committee
in question may be delayed
for some time longer,
until sufficient moneys
accrue in the Commissioners
Temple Street.
